

COLLEGE OF EDUCATION REFLECTIONS ON STUDENT LEARNING

Please reflect on the following prompts describing ways I've tried to support learning by being attentive to interpersonal relationships, by responding to individual and group learning needs, by encouraging individual responsibility for learning and by viewing learning as a process. Completely fill in the bubble that best describes how often I do what is described in each statement.

DO NOT FOLD OR STAPLE THIS FORM

- 1. Values me as a person, not for just how well I perform in this course.
- 2. Encourages me to learn in the ways I feel are best for me.
- 3. Creates a safe environment for me to ask even the most basic questions and not be penalized for mistakes.
- 4. Expects me to take responsibility for my own learning.
- 5. Demonstrates that he/she appreciates me as an individual.
- 6. Uses humor, compassion, and other techniques to create a positive climate for learning and thinking.
- 7. Helps me identify and value my unique abilities.
- 8. Helps me learn strategies for relating prior knowledge to new information in ways that are meaningful to me.
- 9. Expects me to listen to, think about, and respect my peers' opinions even when I don't agree with them.
- 10. Promotes a community of learners (e.g., one in which I feel connected to each student and free to call peers to ask questions or form a study group).
- 11. Introduces and encourages consideration of diversity and/or diverse perspectives (consider content and process).
- 12. Helps me achieve my learning goals.
- 13. I learned a great deal in this course.
- 14. Overall, this is an effective instructor.
- 15. Overall, this is an excellent course.
