

Summer Quarter Visiting Student Registration

If you are an undergraduate student who is enrolled at another college or university, you can take summer quarter classes online or on campus at DU. You may register for open enrollment which allows you to skip our regular application process and immediately begin registering for the classes that interest you.

The Registrar's Office will complete your registration upon completion and submission of this form. Once enrolled, visiting students are liable for the tuition and fees associated with the course unless the course is dropped prior to the first class meeting.

Undergraduate level visiting students who wish to continue at the University beyond the summer session must complete an application for admission through Undergraduate Admissions.
