

Be prepared for the unexpected.

Basic Accidental Death and Dismemberment insurance from New York Life Group Benefit Solutions.

Consider the effects a severe injury could have on your ability to work or complete daily tasks. Would your family be prepared if you needed ongoing care, rehabilitation or if you were to pass away as a result of a catastrophic injury?

Accidental Death and Dismemberment (AD&D) insurance from New York Life Group Benefit Solutions (NYL GBS) can help provide you and your family the financial security and peace of mind at a time when you may need it most.

Why is AD&D insurance important?

Serious accidents can occur during the most common activities like working around the house or taking a family vacation. AD&D insurance from NYL GBS can help pay for the unexpected costs that may arise from a covered accident.

It can help pay for:

Child care and education

Spouse job training

Rehabilitation or trauma counseling

Home alterations and vehicle modification
