If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, a Federal law gives you more choices about your prescription drug coverage. Please see pages 51-52 where Notice of Creditable Coverage begins for more details.

Benefits Overview

Eligibility

The University of Denver is proud to offer a comprehensive benefits package to employees holding an appointment position that is at least half time (20 hours per week). Many of the plans also offer coverage for your eligible dependents.

The complete benefits package is briefly summarized in this booklet. To view the plan documents, which give you more detailed information about each of these programs, please visit www.du.edu/human-resources/benefits.

You and your dependents are eligible for the University of Denver benefit plans on the first day of the month following your date of hire into an appointed position. If your hire date occurs on the first of the month, your benefits may start on your hire date or the first of the following month.

Eligible dependents include:

- Your legal spouse, including common-law and civil union, and domestic partner (both same and opposite sex).
- Your child who is less than 26 years of age. Children include your natural or legally adopted child, a stepchild, the child of your domestic partner or civil union, or a child who is less than 26 and has been placed under your legal guardianship.
- Your child, who satisfies the above definition of child, age 26 or older, and who is mentally or physically incapable of earning a living, and is primarily supported by you.

Elections made now will remain in effect until the next open enrollment unless you or your family members experience a qualifying life event. If you experience a qualifying life event, you must contact Human Resources within 30 days of event.

Qualifying Life Events

Each year, you have the opportunity to make changes to your benefits during the open enrollment period. You may make a change in your coverage during the plan year only if you have a qualified change in your family or employment status. You may change your coverage election upon the occurrence of one of the qualifying life events listed below, provided you apply for the change in coverage within 30 days of the qualifying life event:

- Marriage, divorce, or legal separation
- Birth or adoption of a child
- Death of your spouse/partner or covered dependent
- Covered dependent no longer qualifies as an eligible dependent
- A significant change in the cost or coverage of your dependent's benefits
- Qualified Medical Child Support Order

For a complete listing of qualifying life events, visit www.du.edu/human-resources/benefits. Changes to your benefits must be made within 30 days of the event and must be consistent with your change in status.

Payroll and Leave Information

Exempt Employees (Exempt from overtime)

- Monthly payroll: All premiums are taken from each paycheck on the first of each month for coverage for that month.

Non-Exempt Employees (Eligible for overtime)

- Biweekly payroll: Medical insurance premiums are deducted from the first and second paychecks of each month to pay for coverage for that month. All other benefit deductions are taken from the first check of the month.

Leaves without pay and other non-paid time

Premiums for voluntary coverage are normally taken from your payroll check as described previously. If you are on a leave without pay that results in your premiums not being taken from your payroll check and you wish to continue coverage, you are responsible for remitting payment for those premiums by personal check to Human Resources. For more information, please contact Human Resources at **303.871.7420** or **benefits@du.edu**.

Premiums for faculty and other employees whose work schedules are on an academic year, or on another contract year basis, are taken from payroll as described previously during those months in which you receive a payroll check. For the summer months in which you do not receive a payroll check, the monthly premiums will be taken from the first paycheck received in the fall.

Holiday, Vacation, Sick, and Leave of Absence

Paid Holiday

The University provides several paid holidays, including: New Year's Day, Martin Luther King, Jr. Day, Memorial Day, Juneteenth (June 19), Independence Day, Labor Day, Thanksgiving Day, Thanksgiving Holiday, Chancellor's Holiday Party (Half Day), Winter Break (the last 5 week days of the calendar year).

Paid Vacation & Sick Leave

Appointed, non-faculty employees receive accrued paid time off. Please contact Human Resources at **303.871.7420** or **benefits@du.edu** for further details. Union employees, please refer to the union contract.

Paid Parental Leave

The University offers one academic term of paid parental leave for faculty members and 10 weeks of paid parental leave for staff. Staff parental leave is paid at a percentage of your salary based on your years of service. This enables a mother or father to take time off for birth, adoption, or foster placement of a child. Contact Human Resources at **303.871.7420** or visit **www.du.edu/human-resources/about-us/leaves-absence** for details. Whenever possible, faculty and staff intending to take a leave should inform their dean, chair, supervisor, or department head no later than three months prior to the proposed beginning of leave. If this is not possible because of pre-term delivery, sudden availability of adoption placement, or other unpredictable changes in family status, leave will still be granted.

Other Forms of Leave

University policies provide for other kinds of leave, such as bereavement, jury duty, sabbaticals, military etc. Contact Human Resources at **303.871.7420** or **benefits@du.edu** for additional information.

Medical Network Options

LocalPlus Provider Network

If you live in the LocalPlus service area, you will have access to Cigna's LocalPlus provider network. The LocalPlus network is designed to improve the quality of care that you receive from all of your medical providers. LocalPlus is designed to deliver cost-effective, quality care for today's busy, on-the-go families.

More providers make it easier to choose and use quality care. The LocalPlus provider network has roughly 5,000 primary care physicians and over 14,000 specialists in the Denver metro area alone.

While traveling, or for dependents who live away from home and outside of the LocalPlus Network area, you will have full access to providers available through the Away From Home Care network. This feature provides coverage at the same in-network cost you would pay at home. There are no out-of-network benefits other than urgent and emergency care for the LocalPlus network.

To find out if your doctor is a participating provider in the LocalPlus network, please visit Cigna's website, www.cigna.com.

- The LocalPlus network is available in the following CO Counties*: Adams, Arapahoe, Boulder, Broomfield, Denver, Douglas, El Paso, Eagle, Jefferson, La Plata, Larimer, Mesa, Montezuma, Routt, Summit, Weld
- The LocalPlus network includes the following major provider groups*: Boulder Valley IPA, Community Medical Associates, Colorado Care Partners, Colorado Health Neighborhoods, New West Physicians, Optum Medical Group, PHP Prime, UCHealth Integrated Network
- The LocalPlus network includes the following major Hospitals* and Hospital Systems:
 - Front Range: Boulder Community Health, Centura Health**, Children's Hospital Colorado, Craig Hospital, Denver Health Medical Center, HealthONE, National Jewish Health, SCL Health System, UCHealth
 - Mountain (Eagle, Routt and Summit counties): Centura St. Anthony Summit Medical Center, UCHealth Yampa Valley Medical Center, Vail Valley Medical Center West
 - West (La Plata, Mesa and Montezuma counties): Animas Surgical Hospital, Centura Mercy Regional Medical Center, Southwest Memorial Hospital, St. Mary's Medical Center

This listing is not all-inclusive. For a complete listing, contact the Cigna OneGuide by calling **800.CIGNA24** (800.244.6224) or visit Cigna.com.

*Listing is not all-inclusive. For a complete listing, contact your Cigna representative or visit Cigna.com.

**Excludes Penrose Hospital and St. Francis Medical Center.

Open Access Plus (OAP) Provider Network

If you do not live or work inside the LocalPlus service area, you have access to the Cigna Open Access Plus provider network. The OAP Network contains participating physicians nationwide. To find out if your doctor is a participating provider in the network, please visit Cigna's website, www.cigna.com.

Medical Plan Options

Insured by Cigna

Comprehensive and preventive healthcare coverage is important in protecting you and your family from the financial risks of unexpected illness and injury. Routine exams and regular preventive care provide an inexpensive review of your health. Small problems can potentially develop into large expenses, but identifying the problems early can often be treated at minimal cost to you. Comprehensive healthcare also provides peace of mind. In case of an illness or injury, you and your family are covered with excellent medical benefits through the University of Denver's Cigna program offerings. You will have access to in-network benefits from health care providers and facilities. The University of Denver offers you a choice of two plans through Cigna: a Copay Plan and a High Deductible Health Plan (HDHP).

Which Plan Is Best For You?

The Copay Plan

- Set copays for less expensive and most utilized services and a coinsurance for higher cost and lesser utilized services.
- Copays and coinsurance apply towards your annual out-of-pocket maximum.
- The plan splits higher cost services with you (80% paid by the plan and 20% paid by you) up to the out-of-pocket maximum.
- If you reach your out-of-pocket maximum, all services are paid at 100% for the remainder of the year.

The High Deductible Health Plan (HDHP)

- Tax-qualified plan for a Health Savings Account (HSA). With an HSA you are able to set aside pre-tax funds into an account to be used for qualified medical expenses. For more information on how your HSA works, please see the HSA section of this booklet starting on page 20.
- You pay the full Cigna-negotiated cost for medical services and prescription drugs until you meet your annual deductible (with the exception of preventive care which is covered at 100%).
- There are no copays with the exception of prescription drugs (once your deductible has been met).
- After the deductible is met, you and the plan share the costs (80% paid by the plan and 20% paid by you) until you reach the annual out-of-pocket maximum.
- If you reach your out-of-pocket maximum, all services are paid at 100% for the remainder of the year.

Both Plans

- Use the same Cigna network, doctors, and hospitals.
- Cover 100% of the cost for preventive care services like annual physicals and routine immunizations.

Copay Plan vs. High Deductible Health Plan

Both the Copay and HDHP (High Deductible Health Plan) plans use the Cigna LocalPlus and Open Access Plus (OAP) networks which means that the doctors and hospitals that are in-network under the Copay plan will also be in network with the HDHP plan. Both options cover 100% of the cost for preventive care services like annual physicals and routine immunizations. The way you plan for care is different with each plan.

Below is a chart highlighting the key differences in the plans:

| | Copay Plan | HDHP Plan |
|--|---|---|
| Per-Paycheck Cost for Coverage | Highest | Lowest |
| Calendar Year Deductible | Lowest | Highest |
| Calendar Year Out-of-Pocket Maximum | Lowest | Highest |
| Using the Plan | Pay more with each paycheck and less when you need care | Pay less with each paycheck and more when you need care |
| Savings/Spending Account Options | Healthcare FSA | Health Savings Account (HSA) Limited Purpose FSA |

**Please see the example on page 9 for further clarification on the differences between a copay plan and a high deductible health plan.

Medical Plan Options

| Summary of Covered Benefits | Copay Plan | HDHP Plan |
|---|--|--|
| Network Type | Open Access Plus (OAP) and LocalPlus**** | Open Access Plus (OAP) and LocalPlus**** |
| Calendar Year Deductible* (single / family) | \$0 / \$0 | \$1,500 / \$3,000*** |
| Calendar Year Out-of-Pocket Max (single / family)* | \$2,000 / \$4,500** | \$3,000 / \$6,000** |
| DOCTOR'S OFFICE | | |
| Virtual Care Visit | \$25 copay | 20% after deductible |
| Primary Care Office Visit | \$25 copay | 20% after deductible |
| Specialist Office Visit | \$40 copay | 20% after deductible |
| Preventive Care | 100% covered | 100% covered |
| DIAGNOSTIC TESTING/ IMAGING | | |
| Diagnostic Lab and X-ray | Based on place of service | 20% after deductible |
| Advanced Imaging (MRI, CT/PET Scan) | \$100 copay | 20% after deductible |
| HOSPITAL SERVICES | | |
| Emergency Room | 20% coinsurance | 20% after deductible |
| Urgent Care | \$50 copay | 20% after deductible |
| Inpatient | 20% coinsurance | 20% after deductible |
| Outpatient Surgery | 20% coinsurance | 20% after deductible |
| Chiropractic Care (80 days per calendar year combined with cognitive, occupational, physical, pulmonary & speech therapy) | \$25 copay | 20% after deductible |
| PRESCRIPTION DRUGS | | |
| Retail (30-day supply) | | Plan deductible then, |
| Tier 1 | \$15 copay | \$15 copay |
| Tier 2 | \$30 copay | \$30 copay |
| Tier 3 | \$60 copay | \$60 copay |
| Specialty | 20% coinsurance up to \$75 | 20% up to \$75 |
| Mail Order (90-day supply) | | Plan deductible then, |
| Tier 1 | \$30 copay | \$30 copay |
| Tier 2 | \$60 copay | \$60 copay |
| Tier 3 | \$120 copay | \$120 copay |

*Deductibles and out-of-pocket maximums reset every calendar year.

**Important: If you have other family members on the plan, each family member must meet their own individual deductible/out-of-pocket maximum until the total amount of expenses paid by all family members meets the overall family amount.

***Important: All family members contribute towards the family deductible. An individual cannot have claims covered under the plan coinsurance until the total family deductible has been satisfied.

****Important: The LocalPlus network does not cover out-of-network services other than urgent and emergency care. You will have a lower out-of-pocket cost when using in-network providers within the OAP network.

- Back, neck & joint pain

URGENT CARE

Sometimes you need medical care fast but a trip to the emergency room may not be necessary. Visit a Cigna in-network urgent care center when you can't get in to see your primary doctor and are in need of after-hours care. Urgent care centers can generally treat many minor illnesses and injuries while saving you the time and expenses of an emergency room visit.

- Sprains, dislocations, fractures
- Concussions
- Minor allergic reactions
- Minor to moderate asthma attacks
- Sore throats, ear pain
- Small cuts

EMERGENCY ROOM

When you feel you need immediate treatment for critical injuries or illnesses that may result in serious injury or are life threatening.

If you believe you are experiencing a medical emergency, go to the nearest emergency room or call 911.

- Heavy bleeding
- Heart attack/chest pain
- Stroke
- Spinal injuries
- Difficulty breathing

Dental Plan Options

Insured by Delta Dental and Beta Health

Good oral care enhances overall physical health, appearance and mental well-being. Problems with the teeth and gums are common and easily treated health conditions. The University of Denver offers you a choice of two dental plans with Delta Dental and one dental discount program with Beta Health.

With the Delta Dental options, you and your family members may visit any licensed dentist, but you will receive the greatest out-of-pocket savings if you see a Delta Dental PPO provider. If you choose to see an out-of-network dentist, you will incur additional out-of-pocket expenses, and you will be billed the difference between the total amount the provider charges and the approved amount (this is called balance-billing*). When you see a Delta Dental PPO or Premier provider, you are protected from balance-billing.

The two Delta Dental plans include the Right Start 4 Kids program. This program provides all covered services for children up to their 13th birthday at 100% with no deductible when you see a PPO or Premier provider (for the same services outlined in the plan, up to the annual maximum, and subject to limitations and exclusions). Orthodontia is not covered at 100% but at the plan's listed coinsurance.

Beta Health

The Beta Health Alpha plan is a network-only dental discount program that provides an average of up to 70% savings on the most commonly performed dental procedures (including cleanings, fillings, crowns, root canals, and even orthodontia for children and adults). Refer to the Plan's fee schedule to see how much each procedure will cost. To take advantage of the savings, you and your family can see one of over 700 Colorado providers. Your provider must be selected at enrollment, but can be changed during the year anytime you wish.

To find a dental provider visit www.deltadentalco.com

*Balance-billing applies if you see an out-of-network provider. The amount you may owe is the difference between the provider's billed charges and the payment received by Delta Dental based off of their "Maximum Allowable Charge" schedule.

** Those who do not enroll in the dental plan when initially eligible as a new hire, or re-enroll, will be considered Late Enrollees and will be subject to a waiting period. The "Late Enrollee" penalty does not apply to those covered by another group dental plan who enroll within 30 days of loss of the other dental coverage and to children who are enrolled on any anniversary prior to the 4th birthday.

Vision Plan Options

Insured by EyeMed

Your eyes can provide a window to your overall health. Through routine exams your provider may be able to detect general health problems in their early stages along with determining if you need corrective lenses. The University of Denver knows your vision care is personal and so is your relationship with your eye doctor. That's why The University of Denver has partnered with EyeMed to provide you with access to affordable care and quality eyewear at an extensive number of retail and independent providers.

Health Savings Accounts (HSA)

Administered by Rocky Mountain Reserve

A Health Savings Account (HSA) is an individually- owned, tax-advantaged account that you can use to pay for current or future IRS-qualified medical expenses. With an HSA you'll have the potential to build more savings for healthcare expenses or additional retirement savings through self- directed investment options.

Are you eligible for an HSA?

Your HSA is administered through Rocky Mountain Reserve (RMR). You can open and contribute to an HSA if you:

1. Are covered by an HSA-qualified health plan (HDHP);
2. Are not covered by other health insurance (with some exceptions);
3. Are not enrolled in Medicare;
4. Are not enrolled in TriCare;
5. Are not eligible to be claimed as a dependent on another person's tax return;
6. Have not received health benefits from the Veterans Administration with the exception of services for a "service related disability" or an Indian Health Services facility within the last three months; and
7. Are not covered by your own or your spouse/partner's Healthcare FSA.

High Deductible Health Plans and HSA

You must be enrolled in the Cigna HDHP plan to be eligible for an HSA and to make HSA contributions.

How does an HSA Account work?

- You can contribute to your HSA via payroll deductions, an online banking transfer, or send a personal check to RMR. Your employer or a third party, such as a spouse/partner or parent, may contribute to your account as well.
- You can pay for qualified medical expenses with your debit card directly to your medical provider or pay out-of-pocket. You can either choose to reimburse yourself or keep the funds in your HSA to grow your savings.
- Unused funds will roll over year to year. After age 65, funds may be withdrawn for any purpose without a penalty but will be subject to ordinary income taxes.

How much can you contribute to your HSA?

Any contributions made by all parties can not exceed the IRS annual HSA limit. Below are the IRS limit amounts for the 2023 calendar year.

| | IRS 2023 Maximum Contribution | The University of Denver Contribution | Employees Maximum Contribution |
|-----------|---|---------------------------------------|--------------------------------|
| Self Only | \$3,850 | \$331.68 (\$27.64 per month) | \$3,518.32 |
| Family | \$7,750 | | \$7,418.32 |
| Catch-Up | Age 55+ may contribute an additional \$1,000* | | |

*Employees age 55 or older anytime in 2023, who are not enrolled in Medicare, may contribute an additional \$1,000 to their HSA account. Spouses/Partners who are 55 or older and covered under the employee's medical insurance through the University of Denver may also make a catch-up contribution into a separate HSA account in their own name. If you enroll in Medicare mid-year, your catch-up contribution should be prorated.

Flexible Spending Accounts (FSA)

Administered by Rocky Mountain Reserve

Flexible spending accounts (FSAs) allow employees to use pre-tax dollars for healthcare or child/dependent care expenses not covered by insurance plans. Employees contribute a portion of each paycheck to an FSA and save significantly on taxes. Money in an FSA can be used to pay for out-of-pocket medical, dental, and vision expenses, or dependent care expenses. Employees do not need to be enrolled in the employer's health plan to have an FSA. The University of Denver offers you a choice of a healthcare flexible spending account and a dependent care flexible spending account as described in more detail below. Your FSAs are administered through Rocky Mountain Reserve (RMR).

Healthcare FSA

A healthcare FSA is a pre-tax benefit account used to pay for eligible medical, dental, and vision care expenses that aren't covered by your insurance plan or elsewhere. It's a smart, simple way to save money while keeping you and your family healthy and protected. The IRS sets a limit on how much you can contribute to this account each year. For 2023, the contribution limit is \$3,050.

Limited Purpose FSA

A limited purpose FSA (LPFSA) is a flexible spending account that only reimburses you for eligible dental and vision expenses. An LPFSA is available to employees who are enrolled in a high deductible health plan (HDHP); you may enroll in both the LPFSA and the HSA. By establishing an LPFSA, you can save money on taxes by using your LPFSA dollars for your dental and vision expenses while preserving your HSA funds for other purposes, including simply saving those funds for the future. The IRS sets a limit on how much you can contribute to this account each year. For 2023, the contribution limit is \$3,050.

Dependent Care FSA

A dependent care FSA is a pre-tax benefit account used to pay for dependent care services, such as preschool, summer day camp, before or after school programs, and child or elder daycare. A Dependent Care FSA is a smart, simple way to save money while taking care of your loved ones so that you can continue to work. The IRS sets a limit on how much you can contribute to this account each year.

The 2023 IRS contribution limit is \$5,000 if married and filing jointly or single as head of household or \$2,500 if married and filing separately.

How does an FSA work?

1. You decide the annual amount (up to the set limit for each account) you want to contribute to either or both FSAs based on your expected healthcare and/or dependent childcare/elder care expenses.
2. Elections are deducted from each paycheck before income and Social Security taxes, and deposited into your FSA. Your entire annual election is available immediately after the beginning of the plan year for the health care FSA and LPFSA. For the dependent care FSA you can only receive the amount that is in your account when your claim is paid.
3. For eligible healthcare and dependent care expenses you can pay with the Healthcare FSA or LPFSA debit card for or submit a claim form for reimbursement. For dependent care, you pay for eligible expenses when incurred, and then submit a reimbursement claim form or file the claim online.
4. You are reimbursed from your FSA, so you actually pay your expenses with tax-free dollars.
5. At the end of the calendar year, any unused amount in your Healthcare FSA will be forfeited with the exception of a maximum \$610 rollover to be used for the next calendar year. The \$610 rollover does not apply to the Dependent Care FSA.
6. You can use the LPFSA only for dental and vision expenses.

If you have extra dollars left at the end of the plan year, check out www.FSASTore.com or www.directfsa.com to find eligible products that you and/or your family may purchase in lieu of forfeiting funds. Cosmetic procedures such as teeth whitening will not be covered.

Disability Insurance

Insured by New York Life Insurance

Short-Term Disability (STD)

Short-term disability insurance can provide you with the peace of mind that a protected paycheck brings, if you are unable to work because of an illness or injury that occurs off the job. The University of Denver provides STD coverage of **at no cost to you**. The New York Life short-term disability plan provides income, after satisfying the elimination period, if you become disabled due to an injury or illness. Once enrolled in the plan, you can take advantage of the following benefits:

- Elimination Period: 14 days
- Benefit Amount: 60% of base weekly salary
- Benefit Maximum: Up to \$1,500 per week
- Benefit Period: Up to 11 weeks of benefit (without the elimination period); Up to 13 weeks (with 2 weeks elimination period)

Long-Term Disability (LTD)

Meeting your basic living expenses can be a real challenge if you become disabled. Your options may be limited to personal savings, spousal income and possibly Social Security. Long-term disability insurance provides protection for your most valuable asset — your ability to earn an income. The University of Denver provides LTD coverage of **at no cost to you**.

- Elimination Period: 90 days
- Benefit Amount: 60% of base monthly salary
- Benefit Maximum: \$12,500 per month

This amount may be reduced by other deductible sources of income or disability earnings.

Voluntary Accident & Critical Illness

Insured by Cigna

Voluntary Accident

Accidental Injury insurance can provide you and your family with the additional financial protection you may need for expenses associated with an unexpected covered accident. While you can't predict life's unexpected events, you can plan for them by choosing benefits that can help protect your financial future.

Regular expenses, big and small, can add up. Think about your ability to pay for those expenses if you or your family member were seriously injured in a covered accident. The plan pays benefits directly to you. What you do with the money is up to you.

| Voluntary Accident | |
|---------------------------|---------|
| Employee Only | \$9.92 |
| Employee & Spouse/Partner | \$17.96 |
| Employee & Child(ren) | \$22.90 |
| Family | \$30.95 |

This benefit will pay a lump sum in the event of a covered accident. Examples include:

- Fractures
- Ambulance Transport
- Laceration
- Dislocation
- Coma
- X-Ray
- Surgery
- Burns
- And more

Voluntary Critical Illness

The University offers you the opportunity to purchase Critical Illness insurance on a voluntary basis to ease the financial impact of a major illness. If you or a covered family member is diagnosed due to an illness and meets the group policy and certificate requirements, you will receive a payment to use as you see fit. It can be used to help cover your health insurance deductibles, copays, incidental hospital charges (e.g. TV, phone, etc.) or for any purpose you choose. Critical Illness provides payments for illnesses such as organ/kidney failure, arteriosclerosis, carcinoma in situ, benign brain tumor, cancer, heart attack, stroke, etc.

| Monthly Rates Per \$10,000 & Based on Employees Age | Employee Only | Employee & Spouse/ Partner | Employee & Child(ren) | Family |

403(b) Retirement Plan

Administered by TIAA

The University offers a retirement plan under section 403(b) of the Internal Revenue Code (IRC) to enable you to invest in your retirement via the convenience of regular automatic payroll contributions.

Contributions can be made on a pre-tax or tax-deferred salary reduction basis, which means that your current taxable income is reduced by the amount of your contributions, and that taxes on those contributions and their investment earnings are deferred until they are paid back to you in the form of retirement benefits or other distributions from these plans. You are also able to contribute on a post-tax basis which will reduce your tax liability during retirement. For biweekly-paid employees, retirement contributions will be deducted from each paycheck. Participation in this plan is entirely voluntary.

Eligibility

As an eligible employee of the University, you may elect to make contributions beginning on the first day of the month following your date of hire or date of appointment, whichever is earlier. You will be eligible to receive matching contributions on the first day of the month following the day you have completed 12 months of service with the University.

If you were a retirement benefits-eligible employee and completed one year of service (in a 12-month consecutive month period) with another educational or teaching institution prior to your employment with the University, you will be eligible to receive matching contributions on the first day of the month following your date of hire or date of appointment.

Your Contributions

As a participant you may elect to defer a portion of your compensation each year instead of receiving that amount in cash. Your total deferrals in any taxable year may not exceed a dollar limit which is set by law. The limit for 2023 is \$22,500. If you are age 50 or older you may elect to defer additional amounts (called “catch-up contributions”) to the plan. The maximum “catch-up contribution” that you can make in 2023 is \$7,500.

There are two types of deferrals: pre-tax 403(b) deferrals and Roth 403(b) deferrals. You can make either or both to the plan.

Pre-tax 403(b) deferrals: If you elect to make pre-tax 403(b) deferrals, then your taxable income is reduced by the deferral contributions so you pay less in federal income taxes. Later, when the plan distributes the deferrals and earnings, you will pay the taxes on those deferrals and the earnings. Therefore, federal income taxes on the deferral contributions and the earnings are only postponed. Eventually, you will have to pay taxes on these amounts.

Roth 403(b) deferrals: If you elect to make Roth 403(b) deferrals, the deferrals are subject to federal income taxes in the year of deferral. However, the deferrals and, in most cases, the earnings on the deferrals are not subject to federal income taxes when distributed to you. In order for the earnings to be tax free, you must meet certain conditions. Please refer to the summary plan description for further information.

403(b) Retirement Plan (cont'd)

Employee Match Feature

Appointed employees are eligible to enroll in the employer match feature of the retirement plan at any time after completing one year of service with the University. Employees may also waive this service requirement with prior service at another qualified educational institution. This service requirement is defined as one year of service as a full-time, retirement benefits eligible employee. A qualified educational institution (per IRC Section 170(b)(1)(A)(ii)) is defined as an educational organization which normally maintains a regular faculty and curriculum and normally has a regularly enrolled body of pupils or students in attendance at the place where its educational activities are regularly carried on.

If an employee contributes 4% and is eligible to participate in the employer match plan, the employee will receive any matching contribution made by the University. The matching contribution is discretionary and may vary as determined by the University. If you have questions regarding the matching contribution, please contact the Human Resources at **303.871.7420** or benefits@du.edu.

Employee Contribution Feature

Both appointed and non-appointed employees may enroll in the employee contribution feature at any time. You may also terminate your participation at any time. A wide array of investment options are available through TIAA.

Note: Contributions under the employee contribution feature are not matched by the University.

Distributions

Distributions from this plan are available only upon termination of employment from the University, except for a one-time "in-service" lump sum distribution of up to 10% of your account, which you can request at age 59 1/2 or older. Any distribution from this plan that does not qualify as a "periodic payment" under the IRC, or as a qualifying "roll-over" or "direct transfer" to another qualifying retirement plan must be "rolled-over" to an IRA, which can then be used as the vehicle for cash withdrawals.

Student Loan Forgiveness

A student loan forgiveness solution from TIAA and Savi

Are you feeling overwhelmed by student debt? Or trying not to think about it? Public Service Loan Forgiveness (PSLF) is a federal program designed to reduce the burden of student loan debt for people who work in public service. University of Denver is considered a public service employer for the purposes of these programs.

Simply put, PSLF pairs the immediate relief of an income-driven repayment plan (to make your monthly payments affordable) with the longer-term relief of loan forgiveness. You've probably heard some negative press about the difficulties borrowers have faced in attempting to realize the benefits from these programs.

TIAA has joined forces with Savi, a social impact technology company, to help University of Denver employees benefit from forgiveness programs like PSLF. The service helps eligible borrowers to understand their choices, lower their monthly payments, and enroll in a forgiveness program. You can think of them as an advocate – someone who cares as much as you do about finding a good outcome.

What to expect when applying for forgiveness

Savi streamlines the entire process, from helping you enroll in forgiveness programs to ongoing support and payment tracking, ensuring you remain on track from start to forgiveness—all for a small fee.* Here's a snapshot of what will happen.

1. First, you need to enroll in Savi Essential Service.
2. Next, provide your basic information. From there, Savi handles the rest—from checking your forgiveness application for accuracy and completion all the way to submission.
3. After some verifications with us, which Savi handles, everything is sent to your loan servicer.
4. You'll receive reminders from Savi for ongoing things you may need to do afterward, like an annual submission to the PSLF program. That way you stay in compliance with all the particulars that go along with forgiveness programs.

If you haven't yet, take a minute and find out how much you could lower your monthly payment.

Try the free calculator today to see if you might qualify.

Money saved is money in your pocket to use for other financial goals, whether it's building up an emergency fund, saving more for retirement, or paying off other debts.

Visit TIAA.org/du/student today to calculate your savings

*A portion of the fee may be shared with TIAA to offset costs to support the program. In addition, TIAA has a minority ownership interest in Savi.

Employee Assistance Program (EAP)

Administered by SupportLinc

The University of Denver provides an Employee Assistance Program through SupportLinc to all benefited employees **at no cost**. The EAP program is a health benefit, separate from medical insurance to help you manage life's daily challenges. The EAP is 100% confidential.

You and your immediate family members may receive up to 6 visits per issue per year. SupportLinc can refer you to professional counselors, services and resources that will help you resolve a broad range of personal and work-related concerns such as:

| Counseling | Work-Life Benefit |
|--|--|
| <ul style="list-style-type: none"> ■ Depression, stress or anxiety ■ Relationship problems ■ Grief and loss ■ Family and parenting issues ■ Substance abuse | <ul style="list-style-type: none"> ■ In-person or telephonic legal consultation with a licensed attorney ■ Financial consultation ■ Identity theft consultation ■ Dependent care referral ■ Guidance and referrals for daily living resources such as: home improvement, entertainment services, pet care, auto repair, wellness, travel, handyman, volunteer opportunities, etc. |

Access SupportLinc services by calling the 24/7 phone line at **888.881.LINC (5462)** and connect with a Clinician directly. They can further connect you to a Counselor in your area or counseling services via telehealth. They also can address your immediate needs. Please see website details below.

Tuition Waiver

The Tuition Waiver program is designed to enable benefited employees, their spouse/partners, and/or their dependent children under the age of 25, to enroll in “for-credit” courses at the University of Denver with reduced or no tuition charges. Upon hire, Employees’ tuition waiver eligibility is automatically post-dated for the first term following 6 months of benefited service at the University.

Waivers will automatically be available to that spouse/partner or child each term following, according to the employee and spouse/partner’s eligibility. Documentation is required in order to verify the relationship of the student to the employee and can include a Common Law Affidavit, Affidavit of Domestic Partnership, recent tax return, birth certificate or documentation of legal guardianship.

Tuition Waiver benefits for graduate students are subject to Federal, State and FICA taxation. As such, the value of the tuition waiver benefit for graduate spouse/partners and children will be reported as taxable income on employees’ paychecks. A tax advisor should be consulted for further information about taxation.

Employee and Spouse/Partner

| Employee’s Work Schedule | Employee Eligibility per Academic Period | Plan Year Credit Maximum* Summer through Spring | Spouse/Partner’s Eligibility per Academic Period |
|--------------------------|--|---|--|
| Full-time (.93-1.0 FTE) | 2 classes (9 credit max) | 20 credits | 5 credits |
| 3/4-time (.75-.92 FTE) | 2 classes (7 credit max) | 16 credits | 4 credits |
| 1/2-time (.50-.74 FTE) | 2 classes (5 credit max) | 12 credits | 3 credits |
| Retiree | 5 credits | N/A | 5 credits |

* If an employee becomes eligible to use the tuition waiver mid-way through a plan year, the annual credit maximum is prorated for the remaining plan year. The annual limit will renew each Summer period.

| Employee’s Work Schedule | Fall Period | Winter Period | Spring Period |

UNIVERSITY OF DENVER

Legal Notices

Patient Protections Disclosure

The University of Denver Health Plan generally allows the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members.

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from Cigna or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact Human Resources at **303.871.7420** or **benefits@du.edu**.

HIPAA Notice of Privacy Practices Reminder

Protecting Your Health Information Privacy Rights

University of Denver is committed to the privacy of your health information. The administrators of the University of Denver Health Plan (the "Plan") use strict privacy standards to protect your health information from unauthorized use or disclosure.

The Plan's policies protecting your privacy rights and your rights under the law are described in the Plan's Notice of Privacy Practices. You may receive a copy of the Notice of Privacy Practices by contacting Human Resources at **303.871.7420** or **benefits@du.edu**.

HIPAA Special Enrollment Rights

University of Denver Health Plan Notice of Your HIPAA Special Enrollment Rights

Our records show that you are eligible to participate in the University of Denver Health Plan (to actually participate, you must complete an enrollment form and may be required to pay part of the premium through payroll deduction).

A federal law called HIPAA requires that we notify you about an important provision in the plan – your right to enroll in the plan under its "special enrollment provision" if you acquire a new dependent, or if you decline coverage under this plan for yourself or an eligible dependent while other coverage is in effect and later lose that other coverage for certain qualifying reasons.

Loss of Other Coverage (Excluding Medicaid or a State Children's Health Insurance Program). If you decline enrollment for yourself or for an eligible dependent (including your spouse) while other health insurance or group health plan coverage is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

Loss of Coverage for Medicaid or a State Children's Health Insurance Program. If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children's health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents' coverage ends under Medicaid or a state children's health insurance program.

Legal Notices

New Dependent by Marriage, Birth, Adoption, or Placement for Adoption. If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Eligibility for Premium Assistance Under Medicaid or a State Children's Health Insurance Program. If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents' determination of eligibility for such assistance.

To request special enrollment or to obtain more information about the plan's special enrollment provisions, contact Human Resources at **303.871.7420** or **benefits@du.edu**.

Important Warning

If you decline enrollment for yourself or for an eligible dependent, you must complete our form to decline coverage. On the form, you are required to state that coverage under another group health plan or other health insurance coverage (including Medicaid or a state children's health insurance program) is the reason for declining enrollment, and you are asked to identify that coverage. If you do not complete the form, you and your dependents will not be entitled to special enrollment rights upon a loss of other coverage as described above, but you will still have special enrollment rights when you have a new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, as described above. If you do not gain special enrollment rights upon a loss of other coverage, you cannot enroll yourself or your dependents in the plan at any time other than the plan's annual open enrollment period, unless special enrollment rights apply because of a new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan.

Legal Notices

Women's Health & Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 ("WHCRA"). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under the plan. Therefore, the following deductibles and coinsurance apply:

Plan 1: Copay Plan (Individual: 20% coinsurance and \$0 deductible; Family: 20% coinsurance and \$0 deductible)

Plan 2: HDHP Plan (Individual: 20% coinsurance and \$1,500 deductible; Family: 20% coinsurance and \$3,000 deductible)

If you would like more information on WHCRA benefits, please call Human Resources at **303.871.7420** or **benefits@du.edu**.

Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Uniformed Services Employment & Reemployment Rights Act (USERRA)

The Uniformed Services Employment and Reemployment Rights Act (USERRA) was enacted in 1994 following U.S. military action in the Persian Gulf. USERRA prohibits discrimination against individuals on the basis of membership in the uniformed services with regard to any aspect of employment. Since its enactment, USERRA has been modified and expanded by additional federal laws, such as the Veterans Benefits Improvement Act of 2008 (2008 Act). Please contact Human Resources for additional details about USERRA.

Mental Health Parity and Addiction Equity Act of 2008 "Wellstone Act"

Under the Wellstone Act, large group health plans (i.e., employers who employ 51 or more employees) that choose to offer mental health and substance abuse benefits under their health plan are not allowed to set annual or lifetime dollar limits, nor office visit or inpatient day limits on mental health and substance abuse benefits that are lower than any other limits imposed by the medical plan for other medical and surgical benefits. In addition, the group health plan must provide the same out-of-network coverage for mental health and substance abuse coverage that is available for out-of-network medical and surgical benefits.

Your Rights and Protections Against Surprise Medical Bills

When you get emergency care or get treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from balance billing. In these cases, you shouldn't be charged more than your plan's copayments, coinsurance and/or deductible.

What is “balance billing” (sometimes called “surprise billing”)?

When you see a doctor or other health care provider, you may owe certain out-of-pocket costs, like a copayment, coinsurance, or deductible. You may have additional costs or have to pay the entire bill if you see a provider or visit a health care facility that isn't in your health plan's network.

“Out-of-network” means providers and facilities that haven't signed a contract with your health plan to provide services. Out-of-network providers may be allowed to bill you for the difference between what your plan pays and the full amount charged for a service. This is called “balance billing.” This amount is likely more than in-network costs for the same service and might not count toward your plan's deductible or annual out-of-pocket limit.

“Surprise billing” is an unexpected balance bill. This can happen when you can't control who is involved in your care—like when you have an emergency or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider. Surprise medical bills could cost thousands of dollars depending on the procedure or service.

You are protected from balance billing for:

Emergency services

If you have an emergency medical condition and get emergency services from an out-of-network provider or facility, the most they can bill you is your plan's in-network cost-sharing amount (such as copayments, coinsurance, and deductibles). You can't be balance billed for these emergency services. This includes services you may get after you're in stable condition, unless you give written consent and give up your protections not to be balance billed for these post-stabilization services.

Certain services at an in-network hospital or ambulatory surgical center

When you get services from an in-network hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most those providers can bill you is your plan's in-network cost-sharing amount. This applies to emergency medicine, anesthesia, pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services. These providers can't balance bill you and may not ask you to give up your protections not to be balance billed.

If you get other services at these in-network facilities, out-of-network providers **can't** balance bill you, unless you give written consent and give up your protections.

You're never required to give up your protections from balance billing. You also aren't required to get care out-of-network. You can choose a provider or facility in your plan's network.

Legal Notices

When balance billing isn't allowed, you also have the following protections:

- You're only responsible for paying your share of the cost (like the copayments, coinsurance, and deductible that you would pay if the provider or facility was in-network). Your health plan will pay any additional costs to out-of-network providers and facilities directly.
- Your health plan generally must:
 - Cover emergency services without requiring you to get approval for services in advance (also known as "prior authorization").
 - Cover emergency services by out-of-network providers.
 - Base what you owe the provider or facility (cost-sharing) on what it would pay an in-network provider or facility and show that amount in your explanation of benefits.
 - Count any amount you pay for emergency services or out-of-network services toward your in-network deductible and out-of-pocket limit.

If you believe you've been wrongly billed, contact

<https://www.cms.gov/nosurprise/consumers> or call **800.985.3059** to obtain more information and complaints.

Visit <https://www.cms.gov/nosurprises/consumers> for more information about your rights under federal law.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a state listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are **not** currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **877.KIDS.NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **866.444.EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2023. Contact your state for more information on eligibility.

Pregnant Workers Fairness Act C.R.S. § 24-34-402.3

The Pregnant Workers Fairness Act makes it a discriminatory or unfair employment practice if an employer fails to provide reasonable accommodations to an applicant or employee who is pregnant, physically recovering from childbirth, or a related condition.

Requirements

Under the Act, if an applicant or employee who is pregnant or has a condition related to pregnancy or childbirth requests an accommodation, an employer must engage in the interactive process with the applicant or employee and provide a reasonable accommodation to perform the essential functions of the applicant or employee's job unless the accommodation would impose an undue hardship on the employer's business.

The Act identifies reasonable accommodations as including, but not limited to:

- provision of more frequent or longer break periods;
- more frequent restroom, food, and water breaks;
- acquisition or modification of equipment or seating;
- limitations on lifting;
- temporary transfer to a less strenuous or hazardous position if available, with return to the current position after pregnancy;
- job restructuring;
- light duty, if available;
- assistance with manual labor; or modified work schedule.

The Act prohibits requiring an applicant or employee to accept an accommodation that the applicant or employee has not requested or an accommodation that is unnecessary for the applicant or the employee to perform the essential functions of the job.

Scope of accommodations required:

An accommodation may not be deemed reasonable if the employer has to hire new employees that the employer would not have otherwise hired, discharge an employee, transfer another employee with more seniority, promote another employee who is not qualified to perform the new job, create a new position for the employee, or provide the employee paid leave beyond what is provided to similarly situated employees.

Under the Act, a reasonable accommodation must not pose an "undue hardship" on the employer. Undue hardship refers to an action requiring significant difficulty or expense to the employer. The following factors are considered in determining whether there is undue hardship to the employer:

- the nature and cost of accommodation;
- the overall financial resources of the employer;
- the overall size of the employer's business;
- the accommodation's effect on expenses and resources or its effect upon the operations of the employer;

If the employer has provided a similar accommodation to other classes of employees, the Act provides that there is a rebuttable presumption that the accommodation does not impose an undue hardship.

Adverse action prohibited:

The Act prohibits an employer from taking adverse action against an employee who requests or uses a reasonable accommodation and from denying employment opportunities to an applicant or employee based on the need to make a reasonable accommodation.

COBRA General Notice

Model General Notice of COBRA Continuation Coverage Rights (For use by single-employer group health plans)

** Continuation Coverage Rights Under COBRA**

Introduction

You're getting this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Legal Notices

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

When is COBRA continuation coverage available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee; or
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to: Jerron Lowe.

How is COBRA continuation coverage provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability extension of 18-month period of COBRA continuation coverage

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

Legal Notices

Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicare, Medicaid, **Children's Health Insurance Program (CHIP)**, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

Can I enroll in Medicare instead of COBRA continuation coverage after my group health plan coverage ends?

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period¹ to sign up for Medicare Part A or B, beginning on the earlier of

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

If you have questions

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) For more information about the Marketplace, visit www.healthcare.gov.

Keep your Plan informed of address changes

To protect your family's rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

Notice of Creditable Coverage

Important Notice from University of Denver About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with University of Denver and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- 1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.**
- 2. University of Denver has determined that the prescription drug coverage offered by the medical plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.**

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 to December 7.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage if You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current University of Denver coverage will not be affected. See below for more information about what happens to your current coverage if you join a Medicare drug plan.

Your current coverage pays for other health expenses in addition to prescription drugs. If you enroll in a Medicare prescription drug plan, you and your eligible dependents will still be eligible to receive all of your current health and prescription drug benefits.

If you do decide to join a Medicare drug plan and drop your current University of Denver coverage, be aware that you and your dependents will be able to get this coverage back.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with University of Denver and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

Legal Notices

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice or Your Current Prescription Drug Coverage:

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through University of Denver changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage:

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For More Information About Medicare Prescription Drug Coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 800.MEDICARE (800.633.4227). TTY users should call 877.486.2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 800.772.1213 (TTY 800.325.0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Marketplace Notice

New Health Insurance Marketplace Coverage Options and Your Health Coverage

PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage—is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact Jerron Lowe.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

¹ An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

Here is some basic information about health coverage offered by this employer:

As your employer, we offer a health plan to:

All employees. Eligible employees are:
Full-Time working 20 hours or more per week

Some employees. Eligible employees are:

■ With respect to dependents:

We do offer coverage. Eligible dependents are:
Your legal spouse, including common-law and civil union, and domestic partner (both same and opposite sex), your child who is less than 26 years of age, and your child who satisfies the above definition of child, age 26 or older, and who is mentally or physically incapable of earning a living, and is primarily support by you.

We do not offer coverage.

If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, HealthCare.gov will guide you through the process. Here's the employer information you'll enter when you visit HealthCare.gov to find out if you can get a tax credit to lower your monthly premiums.

The information below corresponds to the Marketplace Employer Coverage Tool. Completing this section is optional for employers, but will help ensure employees understand their coverage choices.

13. Is the employee currently eligible for coverage offered by this employer, or will the employee be eligible in the next 3 months?

Yes (Continue)

13a. If the employee is not eligible today, including as a result of a waiting or probationary period, when is the employee eligible for coverage?

No

14. Does the employer offer a health plan that meets the minimum value standard*?

Yes (Go to question 15)

No (STOP and return form to employee)

15. For the lowest cost plan that meets the minimum value standard¹ offered only to the employee (don't include family plans): If the employer has wellness programs, provide the premium that the employee would pay if he/she received the maximum discount for any tobacco cessation programs, and didn't receive any other discounts based on wellness programs.

a. How much would the employee have to pay in premiums for this plan?

b. How often? Weekly Every 2 weeks Twice a month Monthly Quarterly Yearly

If the plan year will end soon and you know that the health plans offered will change, go to question 16. If you don't know, STOP and return form to employee.

16. What change will the employer make for the new plan year?

Employer won't offer health coverage

Employer will start offering health coverage to employees or change the premium for the lowest-cost plan available only to the employee that meets the minimum value standard.* (Premium should reflect the discount for wellness programs. See question 15.)

a. How much would the employee have to pay in premiums for this plan?

¹ An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs (Section 36B(c)(2)(C)(ii) of the Internal Revenue Code of 1986).

This document is an outline of the coverage provided under your employer's benefit plans based on information provided by your company. It does not include all the terms, coverage, exclusions, limitations, and conditions contained in the official Plan Document, applicable insurance policies and contracts (collectively, the "plan documents"). The plan documents themselves must be read for those details. The intent of this document is to provide you with general information about your employer's benefit plans. It does not necessarily address all the specific issues which may be applicable to you. It should not be construed as, nor is it intended to provide, legal advice. To the extent that any of the information contained in this document is inconsistent with the plan documents, the provisions set forth in the plan documents will govern in all cases. If you wish to review the plan documents or you have questions regarding specific issues or plan provisions, you should contact your Human Resources/Benefits Department.
