

Connect with your benefits

anytime, anywhere with the new

DU Benefits Digital Wallet Card

Quick.
Convenient.
Secure.

Your direct connection to DU benefit resources

You never know where life will take you each day. But wherever you are, you'll have quick access to your University of Denver benefits information. Your digital wallet card will provide you with a direct access to up-to-date DU benefits information.

Tap into all your benefits and resources

You can reach out to the Benefit Advocate Center (BAC) for assistance with your benefits or contact carrier and benefit providers directly—it's your choice.

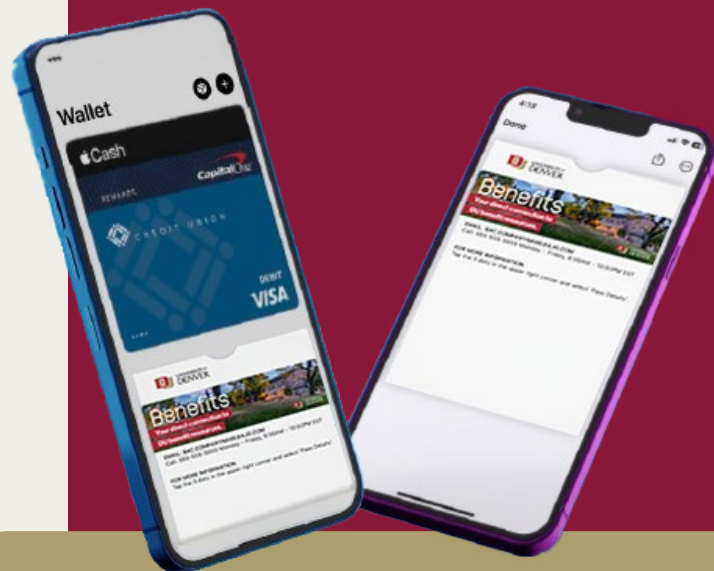

At University of Denver, we strive to support your well-being and provide easy access to your benefits, wherever you may be.

Questions?

If you have questions or need help downloading your wallet card, call the Benefit Advocate Center at **833.355.8939** Monday – Friday, 7:00am - 5:00pm MST or email bac.duadvocates@ajg.com.

How to download
your digital wallet card

Scan the **QR code** and download the University of Denver wallet card onto your mobile device. Open the card and **tap the 3 dots** in the upper right corner to select **Pass Details**. Now you're ready to access benefit plans, guides and contact information right in the palm of your hand.
